

NEW! National AMP Real Estate Drill and Practice QBank, v2.0

There is no such thing as being over-prepared! The National AMP Real Estate Drill and Practice QBank gives students the power to simulate nearly every test environment imaginable: from licensing exams as outlined in the AMP to customizing quizzes according to topics and subtopics, students can create exactly the test they need to improve their score. The Performance Tracker helps pinpoint problem areas and indicates how students stack up to others. Students can access the QBank online when and where it is convenient for them.

Dearborn's eBooks satisfy the needs of today's tech-savvy students!

Add value to your school by offering multiple content delivery options. With eBook versions of some of our most popular real estate texts you can keep your students engaged and studying on the go.

- Can be read anytime, anywhere
- Instantaneous access to course content

Generate greater revenue for your school with an REcampus bookstore without any inventory costs.

Economic and the Housing Market Update

Receive a high- level overview of the economy and labor market. The U.S. dollar remains strong against most other major currencies. In May, sales of existing homes were the highest since 2009. Take a look at why and review other market indicators.
